Development of the event

- Arrival of guests

Guests arrive in the imposing historical lobby of the Hotel de la Paix. Then, front desk agents escort them to their rooms, with a personalized welcome. Group's arrivals are anticipated by the Front Desk team to make the check-in process as quick as possible.

- Meeting

Our meetings usually take place in the Salon Rive situated on the ground floor. The Salon Rive, equipped with the latest technologies, bathed in natural light and open onto the historic square of Mont-Blanc is really appreciated by meetings' attendees for its functionality and brightness.

- Lunch and Cocktail

The participants have lunch in the historical Salon Alabama with its eye-catching parquet floor "à la française", situated on the ground floor of the Hotel & facing the Lake. We offer 3 courses seated lunch or buffet included in our daily delegate package. Our Chef has defined different menus: saffron, tandoori, sesame, turmeric... Buffets can be composed by organizers: they have the possibility to make their own selection among starters, main courses and desserts suggestions.

To end a meeting day, some companies decide to plan an elegant cocktail party in the Alabama Salon. Our cocktails are prepared by our Chef: Champagne, selection of white and red Swiss wines and cocktails canapés, created with seasonal products: a refined and elegant cuisine. A unique decoration, in harmony with clients' wishes, is arranged: our teams manage to create an intimate and cosy atmosphere in this outstanding ballroom.
